

ARBOC ANNOUNCES DELIVERY OF FIRST SPIRIT OF LIBERTY

ARBOC Specialty Vehicles, the leader in the low floor bus market, is pleased to announce the Spirit of Liberty is finally starting to ship from their manufacturing plant in Middlebury, Indiana. The first bus is heading to Northern Arizona University in Flagstaff, Arizona. The bus was sold through Creative Bus Sales by Marcus Hoffman who says "Creative Bus Sales is proud to partner with ARBOC Specialty Vehicles to deliver the first production model Spirit of Liberty to Northern Arizona University. The commitment to quality and safety that an ARBOC vehicle provides is important to the university and they look forward to transporting their students and faculty in their brand new bus."

Don Roberts, President and CEO of ARBOC says "This is a very proud moment for ARBOC. We have spent years designing and testing this bus and it is great to finally realize all the hard work has paid off".
